HOW TO ADD RENAISSANCE WIDGET TO YOUR NEW WEBSITE

- Replace the number 'RUSDN47' in the codes below with <u>your school's number</u>. You can find it in your codes on your old website widget (or ask Sarah James for your school's number).
- After replacing the number, type or copy & paste all of the codes below directly onto your new webpage, whichever works best.

<script type="text/javascript" src="http://widgets1.renlearn.com/content/widgets/reading activity/readingactivitywidget.js"></script><script type="text/javascript">if (READINGACTIVITYWIDGET) READINGACTIVITYWIDGET.renderWidget('http://widgets1.renlearn.com/', 'RUSDN47');</script><noscript>Enable Javascript in your browser to view this content.</noscript>

Log into Catapult, open the webpage you want the RLI widget to go onto, drag the HTML element card to a section on your chosen webpage.
